

The THRILL of the HUNT

Many of you probably know Zack Gardner. He is a great kid that has been hanging out with Turning Point for many years. Zack is always at Turning Point events with a huge smile on his face! Believe it or not, Zack's smile was huge last weekend when he shot his first deer with a Crossbow. Billy Gardner, a volunteer with TP gave Zack a crossbow as a gift. We all knew that Zack could hunt with a rifle as he has proven this to us several times at the Kid's Hunt at Faulkner Ranch, and we knew he could fish like crazy, but a crossbow?? WOW! Way to go Zack! He was so excited!! His dad has even told us that now they're in a competition to see who can get more deer with a crossbow. Brett has always been a bow hunter, but now he has HUGE competition living in the same house! You can get him Zack - We know you can!!! Congrats on your first Deer taken with a crossbow! We're proud of you!!!

KIDS HUNT IN SOUTH TEXAS

It's getting close to that time of the year again when Mr. Royce Faulkner invites us down to his ranch for some

New Michigan Chapter

FISH ALL YEAR LONG

Winter is coming, but that doesn't mean that you can become a bear and hibernate for the winter!

Turning Point encourages everyone to keep going outdoors and enjoying life! Make a snow man if you get snow, hunt or camp! And many of you may not know this, but you can still fish when it's cold outside!! Grab your warm jacket and let's go to the lake! Our boat on Lake Ray Hubbard is available all year long! We want to take some people out fishing or for a cruise! Call Jason if you

hunting. This hunt is an amazing weekend! We'll stay at the YO hotel in Kerrville, Texas. The weekend will consist of great food and great fun! We will start off with a banquet Friday night, and then Saturday morning we will head to Mr. Faulkner's Ranch. At the ranch we will have a hunter's education class, target shooting, sight in rifles and then off to the blinds. You will never see wildlife like this anywhere else! These deer are HUGE!!!! At dark, everyone will come back in with their deer and we will have dinner, weigh everything, take a bunch of pictures and make choices on how you want your meat processed. The weekend is a blast!! It's a bunch of fun and a wonderful learning experience!! If you are under 18 and would like to join us, let us know soon! Space is limited!! Call Shorty for more information! 972-524-4231
